

CURRICULUM VITAE

FAMILY NAME:

AMANATIDIS

NAME:

SOLOMON-GEORGIOS

YEAR OF BIRTHDAY:

1973

NATIONALITY:

GREEK

2004: Diploma in Civil Engineering, in a five year education program, from the University of Bologna, Italy. Department of Civil Engineering. Specialization: Structural Engineering. Diploma with Prof. Viola Erasmo. Grade: 8/10.

EDUCATION

2006: Master, in a two years education program, in the field of Hydraulics, specialized in Hydrotechnic Structures, from the University of Bologna, Italy. Department of Civil Engineering. Project with Prof Artina Sandro. Grade: 93/110.

PROFESSIONAL QUALIFICATIONS

2007: Chartered Engineer of the Technical Chamber of Greece, R.N. 106647

2009: Public works contractor, M.E.E.P 24647.
1st class, Hydraulics, projects.
1st class, Energetic projects.
2nd class Buildings and Highways projects.
A 1, Port projects.

PRESENT PROFESSIONAL ACTIVITY

Associate of the firm
ASAnastasiadis
Consultant Engineers
Construction & On site Engineer

PROFESSIONAL SPECIALIZATION

Structural and Hydraulics design of hydrotechnic and energetic structures. Land surveying for the establishment of boundary properties, land measurements and positioning of structures. On site management and administration of building and highway construction works.

TRAINING COURSES CONTINUING EDUCATION

December 2014: Engineering CPD seminar on the subject of "Modern Developments in Offshore Structures", organized by the Aristotle University of Thessaloniki, Operational programme 'Education and Lifelong Learning', under the umbrella of the NSRF 2007-2013 of the E.U. Duration: 150 hours. Grade: 8.5 (Excellent), corresponding to 10 ETCS.

I attend the following conferences:

- 3rd Greek conference on Earthquake Engineering and Engineering Seismology, Novem., 2008, Athens.
- 7th Hellenic Conference of Steel Structures. September-October 2011, Volos, Greece.
- 4rd Greek conference on Earthquake Engineering and Engineering Seismology, Sept., 2019, Athens.

LANGUAGES

Italian-speak fluently and read/write with high proficiency.

English-speak read and write with basic competence.

Greek-Mother tongue.
